STEWARDSHIP
Returning to Routine with God First
• **Theme:** Putting God at the center of our busy September schedules.
• **Reflection:** As summer ends and our routines resume, it is easy to let the rush of school, work, and activities crowd God out of first place. True stewardship reminds us that our time and abilities belong to Him. This week, let us offer our daily schedules back to the Lord, asking Him to guide our hands, our words, and our priorities.
• **PRAYER:** Lord, thank you for the gift of a new season. Help us use our time wisely and keep you first in all we do. Amen

POPE LEO'S SEPTEMBER INTENTIONS
FOR THE CARE OF WATER
Let us pray for a just and sustainable management of water, a vital resource, so that everyone may have equal access to it

PRAYER BY POPE LEO XIV
“Lord, You love everything You have created, and nothing exists outside the mystery of Your tenderness. Every creature, no matter how small, is the fruit of Your love and has a place in this world.
Even the simplest or shortest life is surrounded by Your care. Like St. Francis of Assisi, today we too want to say: “Praised be You, my Lord!”
Through the beauty of creation, You reveal Yourself as a source of goodness. We ask You: open our eyes to recognize You, learning from the mystery of Your closeness to all creation that the world is infinitely more than a problem to solve. It is a mystery to be contemplated with gratitude and hope.

Help us to discover Your presence in all creation, so that, in fully recognizing it, we may feel and know ourselves to be responsible for this common home where You invite us to care for, respect, and protect life in all its forms and possibilities. Praised be You, Lord! Amen.

CARING FOR OUR COMMON HOME
Each year, from September 1 to October 4, Catholics and people of goodwill around the world observe the **Season of Creation** — a time to thank God for the beauty of creation and reflect on our responsibility to care for the world entrusted to us.
Creation is one of God's greatest gifts. The earth, changing seasons, food, water, and air can easily be taken for granted, yet they remind us of the goodness and generosity of our Creator.

As a parish community, we are invited to grow in awareness of our responsibility for the environment and the importance of sustainability. Caring for creation is an important part of our Catholic faith and our commitment to a culture of life. As Pope Francis often reminded us, **everything is connected**. Caring for our common home also means caring for people, especially the poor and vulnerable, and protecting the world for future generations.

During this Season of Creation, may we consider simple ways to reduce waste, conserve energy and resources, and make more sustainable choices at home and in our parish.
As we journey toward the feast of St. Francis of Assisi on October 4, may we grow in gratitude for God's creation and in our commitment to protect it.

Lord, open our eyes to the beauty of your creation. Help us to care wisely for our common home and to leave a world in which all life may flourish. Amen.
