OPEN OURS EYES

Today's readings are filled with contrasting images - God's vision versus human vision, spiritual blindness versus spiritual sightedness. Embracing a stewardship way of life can free us from spiritual blindness and help us to reflect the light of Christ's love in our daily lives.

Our Second Reading, from Ephesians begins, "...You were once in darkness but now you are light in the Lord. Live as children of light." Because of our Baptism, we have the "light" of the Blessed Trinity dwelling within us. In the difficulties and messiness of daily life, it's easy to forget this glorious truth about ourselves. It can also be difficult to determine whether we truly are living in a way that reflects Christ's light.

The stewardship way of life, with its emphasis on the rightly ordered use of the gifts of time, talents and treasure, gives us a guide to help ensure we really are living as "children of the light."

In our Gospel passage from John, Christ restores sight to a man born blind. The man says that Christ "opened my eyes." These Lenten days are an excellent time for us to ask Jesus to open our eyes, too. Let us ask Him to show us where we may be suffering from spiritual blindness, perhaps even in subtle ways in our use - or misuse - of time, talents and treasure.

As we continue on our Lenten journey, let's intensify our efforts in any of these areas where we have become a little blinded so that by Easter, we are truly living as children of the light.

My Dear Friends :)

In the course of a few days, our entire work, life and church just went digital. I know...talk about whiplash. I'm currently retreating in my home and our church. I shall continue to celebrate the Holy Eucharist each morning for the parish and intentions requested.

Chances are, before COVID-19 goes away, it will hit even closer to home. It is in many of our cities. It is making its way into our churches. It may well enter some of our families and the lives of those we love. Be careful. Be cautious. Be wise and practical in what you do. But do not live in fear.

What I fear, more than COVID -19, is that we will forget who we are and to whom we belong. As a church, we need to take preventive measures and commit ourselves to prayer. We need to rely on the health professionals for advice and entrust our lives to Christ. We need to take full advantage of the resources we have been given and follow the best-practices of those who can give helpful and health-giving advice. And then we need to step back and stay centered and remember and remind each other that we belong to Christ.

Know that I am praying for you and for our church body. I am praying for our leaders and for those who will make decisions throughout the world. I am praying for my bishop, my brother priests, and for our people and for God's Holy Spirit to protect us as a church. I am praying and I will continue to pray until the coronavirus is over, and beyond, but I am not afraid.

The apostle Paul says it well. *"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus"* Philippians 4:6-7 ESV

We should be concerned. The coronavirus is real. But we cannot and we will not be afraid. We are the Church and, together, we belong to Christ. "Be not afraid, I am with you always" (Matthew 14:27).

Keeping you all in thought and prayer. Be kind to each other, and look after one another. Pray, rest, and be safe; spring clean the house.

Shalom, Christopher+

CORONAVIRUS PRAYER

Lord God, I pray for all who have been sickened or died by the Coronavirus

Welcome into your arms the ones who have died,

and comfort the ones they left behind.

In faith, I place my trust in you.

In hope, I turn to you in my time of need.

In love, I give glory to your name.

In gratitude, I will praise you with my life.

In your Son's name I pray. Amen.
